The main room of the Planetarium provides a starry overhead as we honor those airmen who have contributed so much to the ongoing aviation heritage of St. Louis. Colonel Laura Lenderman will speak on her career and things happening at Scott Air Force Base.

**Directions:** From I-64 in St. Louis, take exit 36A and make a left onto Hospital Drive. Follow it around to the right as it joins Clayton Avenue. You just can't miss the huge planetarium on your left.
